— Epoca

In fashion, everything is a question of reinventing itself. Vintage has never stopped being loved and now it's Terrazzo's time. Terrazzo had its big boom in the 70s, but we must go back to the mid-15th century to find its origins. It was in Venice where "terraceus", better known as "Venetian terrace", emerged as a constructive resource to give great flexibility to floors.

En moda todo es cuestión de reinventarse. Lo vintage nunca dejó de gustar y esta vez le toca al terrazo. Tuvo su gran boom en los años 70, pero hay que remontar la vista muy atrás, a mediados del siglo XV, para encontrar sus orígenes. Fue en Venecia donde surge "terraceus", más conocido como "terrazza veneciana", como recurso constructivo para conferir una gran flexibilidad a los suelos.

Epoca is a tribute to those Venetian origins and the fashion of the 70s, but with the character of APE Grupo. The pieces stand out for their hand-worked color inlays, with a palette of white, cream and grey tones, far from the inexpressive colors previously associated with terrazzo.

The explosion of colors creates an attractive and balanced floor that, installed throughout the house, provides visual continuity and homogeneity.

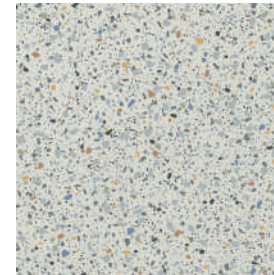

Epoca es un tributo a esos orígenes venecianos y a la moda de los 70, pero con el carácter propio de APE Grupo. Las piezas destacan por las incrustaciones de colores trabajadas a mano, con una paleta de tonos white, cream y grey alejados de los colores inexpressivos asociados antiguamente con el terrazzo.

La explosión de colores da como resultado un suelo atractivo y equilibrado que, instalado en toda la casa, aporta continuidad visual y homogeneidad.
