CARMEN TRUE TILES
NEW COLLECTION

— Harlequin

For Harlequin, we have developed a very neutral color palette, but with trendy colors for the bathroom: for example, Navy, a very deep navy blue; Sky, which updates the classic ceramic blues with a more contemporary nuance; and Pink, a suggestion of trendiness with a soft, very easily matchable tone. To complete the collection, we have two decorations, each one with its own style, and one square piece in 10x10cm.

Para Harlequín hemos desarrollado una paleta de color muy neutra, pero con colores de tendencia para el baño, como un Navy, un azul marino muy profundo, Sky, que actualiza los azules típicamente cerámicos con un matiz más contemporáneo; y Pink, una apuesta de tendencia con un tono suave y muy ponible. Para completar dos decorados, cada uno con un estilo propio, y una pieza cuadrada en 10x10cm.

Traditional, but casual.

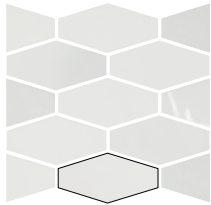

We have recovered another classic of ceramic design, a flattened hexagon with a stylish outline. Harlequin is a collection with all the charm of traditional ceramics, but which hides a wild side, thanks to two decorations that completely change the result of the interior design: one with graphics typical of the art of the tile and another more jungle-inspired for an organic, casual finish.

Tradicional, pero con estilo casual

Recuperamos otro clásico del diseño cerámico, un hexágono achatado con un silueta llena de estilo. Harlequin es una colección con todo el encanto de la cerámica tradicional, pero que esconde un lado salvaje. Esto se consigue gracias a dos decoraciones que cambian totalmente el resultado del interiorismo: una con referencias de las gráficas típicas del arte del azulejo y otra más selvática, para un acabado orgánico y casual. Lorem ipsum dolor sit amet.
