STATES NEW, la reinterpretación de la pizarra en cerámica

Reinterpretamos un "slate" clásico, basado en la pizarra beige. Como la piedra natural exhibe sus características lajas que se producen en su extracción.

Con un acabado mate y con unas pequeñas escamas brillantes que imitan el brillo natural del material original.

STATES NEW, the rendering of the slate in porcelain
We reinterpret a classic "slate", based on beige slate. Like natural stone, it exhibits its characteristic exfoliation layers that are produced in its extraction.

Presents a matte finish and small shiny flakes that mimic the natural shine of the original material.
