白云石

白云石就是我们心中柔软的爱意，无时不刻地温暖着身边的空气，
这就是大自然的恩赐，每个人心中都有一个执念。

我的执念是与爱人一起坐在高高的山峰上，
欣赏日出和日落下的皑皑白雪和思思的温暖。

没有人愿意错过冰冷的溪水中既冰凉又温暖的爱人的双手。

在云中飞舞，在水中畅游。

这不仅仅是燕子的能耐，海豚的欢乐时光，更是你和我的福音。

我所说的是，无论在繁华的都市里，还是静谧的农村，

你都能感受到自然赋予人类的美感。这就是，白云石系列。

The sun soon fell on the horizon. Cloud on the sun gently floating, floating.

A moment like the lover into your heart. Everyone has a belief in mind.

My belief is sitting on the high mountain with lover.

Enjoy the sunrise and sunset. The snow is cold and your hand is warm.

No one is willing to miss lover's hands in the soft water in the cold both cold and warm.

Dancing in the clouds, swim in the water.

This is not just the ability of the swallows, the dolphin's happy time, it is you and my gospel.

What I am saying is that you can feel the beauty of beauty from the nature,
both in the bustling city and in the quiet countryside.

That is, CLOUD series.
