ONDAS PARALELAS QUE SUCEDEN DE FORMA ARMONIOSA
A HARMONIOUS SUCCESSION OF PARALLEL WAVES

El origen primigenio de la Tierra se refleja en las capas que se superponen en la superficie del mármol. Millones de años han conformado una Piedra Natural de una atractivo espectacular, con una belleza que solo la acción paciente de la naturaleza podía llegar a conseguir.

La colección Onyx vestirá suelos y paredes con un estilo insuperable.

The Earth's primordial origin is reflected in the overlapping layers of the Ohmudhi White surface. The passage of millions of years has forged a Natural Stone with a spectacular appeal and a beauty that could only be achieved by the patient action of nature.

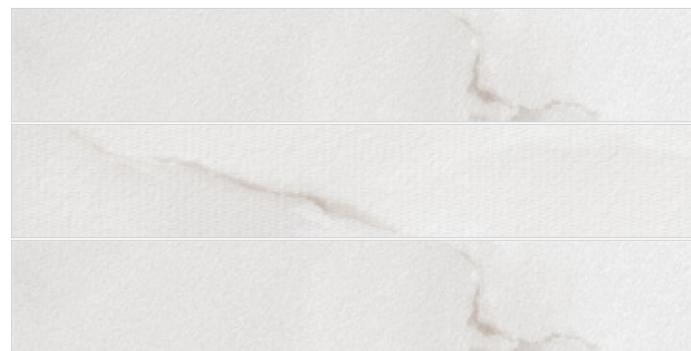

The Onyx collection will adorn walls and floors in unbeatable style.
