Hand

Inspired by the aesthetic of plastered and trowelled walls, Hand is a ceramic wall collection with an essential character. The range includes Calce and Pomice in the 33x100 size. The collection is completed by the Kerala decor and the 3D Form and Made structures. 3D Ink and Touch technologies enhance smooth and dense surfaces for residential and commercial spaces that combine authenticity, simplicity and a measured, natural contemporary sensibility throughout.

HAND COLLECTION

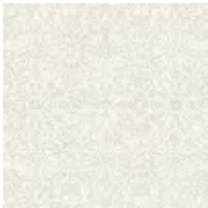

HAND COLLECTION

Caratteristiche Tecniche

-  Frost proof
-  Resistance deep abrasion

Destinazioni d'uso

- D**
Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.
- E**
Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.
- F**
Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.

Variazioni cromatiche

- V0**
Monochromatic - V0: tiles of the same shade are very uniform, in just one colour
- V1**
Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run
- V2**
Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run

- G**
Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.
 - H**
Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.
- V3**
Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material
 - V4**
Ubstantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material
