

Riviere[®]

Porcelánico / Porcelain Tile
Pasta Blanca / White Body

Inspirada en la piedra limestone moldeada por el paso del tiempo y del agua, Riviere transmite calma, elegancia y autenticidad. La superficie de este porcelánico se caracteriza por un fondo mate, casi sedoso, del que emergen vetas sutiles que solo se revelan con la luz, aportando movimiento y un efecto genuinamente orgánico. Un efecto amplificado gracias a la tecnología InTech+, que captura con máxima precisión las variaciones tonales, relieves y matices que hacen de cada pieza una superficie viva.

Inspired by limestone shaped by the passage of time and water, Riviere conveys calm, elegance and authenticity. The surface of this porcelain tile is characterised by a matte, almost silky background from which subtle veins emerge that are only revealed with light, adding movement and a genuinely organic effect. This effect is amplified by InTech+ technology, which captures the tonal variations, reliefs and nuances with the maximum precision that make each piece a living surface.
