

VENISTONE

FloatingShapes

Il gres porcellanato interpreta la breccia veneziana,
con uno spirito libero, un linguaggio trasversale, insolito e contemporaneo.

Porcelain stoneware interprets Venetian breccia with a free spirit, a transversal,
unusual and contemporary language.

Venistone Pearl 120120

Venistone è una collezione progettata pensando a un concetto nuovo di luoghi e ambienti.
Ispirata alla Biennale di architettura, come significato di geometrie degli spazi dentro ai quali accadono mondi differenti. **Un segno grafico con il desiderio di colonizzare l'intero ambiente, giocando al contrasto con l'arredo minimale.**

Venistone is a collection designed with a new concept of places and spaces in mind.
Inspired by the Biennale di architettura, as the meaning of geometries, of spaces where different worlds happen. **A graphic sign with the desire to colonise the entire environment, playing on a contrast with the minimal furniture.**
