"Nel 1981 fondai l'azienda Tonino Lamborghini Style and Accessories. In quel periodo stavo coadiuvando mio padre nelle aziende di famiglia, ma sentivo il bisogno di fare qualcosa di esclusivamente mio, diverso dal mondo dei motori.
Da sempre ero appassionato di moda e accessori e per il design presi ispirazione dal mio background ingegneristico.
Sono sempre stato attratto dai prodotti legati a un concetto meccanico, pertanto non per un caso il mio primo accessorio Tonino Lamborghini fu un orologio.
E ancora oggi in ogni mio prodotto non deve mancare un dettaglio in qualche modo correlato all'heritage meccanico e ingegneristico della mia famiglia. Spirito senza compromessi, design e italianità, uniti al leggendario retaggio di un mito senza tempo: questi i valori che caratterizzano il mio marchio.
La mission del mio brand è chiara: esportare la passione e lo spirito della cultura italiana attraverso prodotti dal design unico e distintivo, ispirato al design industriale italiano e alla storia della mia famiglia".

"In 1981, I started up my new Tonino Lamborghini Style and Accessories company. At the time I was assisting my father in the family group, but I felt the need to do something exclusively of my own, different from the world of engines.
I have always been interested in design and accessories and I took inspiration from my engineering background. I've always loved products linked to mechanics, thus it was obvious for me that the first accessory I designed was a watch.
And even today in every product I create there must not be missing a detail somehow related to the mechanical and engineering heritage of my family. Uncompromising spirit, Italian ingenuity and design – together with the timeless legend of a brand recognized throughout the globe: these are the values that characterize my brand.
The mission of my company is clear: to spread the passion and spirit of Italy with unique and distinctive products, inspired by Italian industrial design and my family's story".

COLLECTION

Galaxia nasce dove la materia incontra l'infinito.
Non è una semplice superficie, ma un linguaggio visivo che trasforma lo spazio in un'esperienza immersiva, capace di avvolgere e trasportare altrove, in un mondo sospeso, in un universo in continuo divenire.
Le **grandi lastre in gres porcellanato 120x280 cm**, firmate **Tonino Lamborghini Total Living**, catturano l'energia del cosmo e la traducono in **superfici dal forte impatto scenografico**. Raccontano di luce, materia e movimento, di vibrazioni, riflessi e giochi specchianti **che amplificano la percezione e dilatano i confini dello spazio**. Il **marchio iconico Tonino Lamborghini si fonde con la materia**, diventando trama, ritmo e segno distintivo: una firma che consacra ogni superficie come **espressione autentica di design, lusso e Made in Italy**.

Galaxia non riveste lo spazio, lo definisce. Un'affermazione decisa di stile contemporaneo, pensata per chi sceglie **superfici capaci di emozionare e lasciare il segno**.

Galaxia borns where matter meets infinity.
Not a simple surface, but a visual language that transforms space into an immersive experience—one that envelops and transports you elsewhere, into a suspended world, an ever-evolving universe.
The large-format 120x280 cm porcelain stoneware slabs, bearing the **Tonino Lamborghini Total Living** signature, capture the energy of the cosmos and translate it into **surfaces of striking scenic impact**. They speak of light, matter, and movement, of vibrations, reflections, and mirrored effects that **enhance perception and expand the boundaries of space**. The **iconic Tonino Lamborghini signature merges with the material itself**, becoming pattern, rhythm, and identity—a mark that elevates each surface into an **authentic expression of design, luxury, and Made in Italy excellence**.

Galaxia does not simply clad space: it defines it. A bold statement of contemporary style, created for those who choose **surfaces that evoke emotion and leave a mark**.

GALAXIA

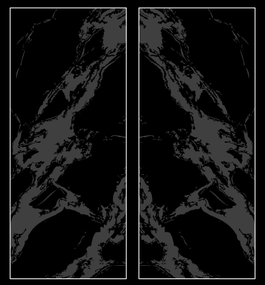

120x280cm_48"x110" Lap Ret 6 mm

La materia si accende di luce.

Galaxia cattura la forza del cosmo e la traduce in superfici dall'estetica magnetica: minerali preziosi dalla naturale traslucentezza, ispirati ai grandi eventi celesti e restituiti in scenografiche composizioni a macchia aperta.

ECLIPSE, caldi e iridescenti strati come lava cristallizzata, un contrasto tra luce e oscurità, come l'istante raro di un'eclissi;
NEBULA, il respiro dell'universo in divenire, ispirato alla nube cosmica che vibra di bagliori dorati;
SELENE, un bianco lunare ed etereo, puro come il ghiaccio celeste.

Matter ignites with light.

Galaxia captures the force of the cosmos and translates it into surfaces of magnetic aesthetic: precious minerals with natural translucency, inspired by grand celestial events and rendered in dramatic, open-patch compositions.

ECLIPSE, warm and iridescent layers like crystallized lava, a rare interplay of light and darkness, recalling the fleeting moment of an eclipse;
NEBULA, the breath of the universe in motion, inspired by cosmic clouds that shimmer with golden glimmers;
SELENE, a lunar white, ethereal and pure as celestial ice.

Due applicazioni decorative amplificano l'anima di Eclipse, Nebula e Selene, fondendo materia e segno grafico:

in GALAXIA LOGO Tonino Lamborghini firma le 3 texture; le iniziali calligrafiche e graziate si intrecciano in una fitta trama preziosa che veste l'intera superficie nella linea GALAXIA SIGN.

Il logo e i suoi frammenti diventano parte integrante del linguaggio estetico della collezione, simboli di eleganza, lusso e design distintivo.

Two decorative applications amplify the essence of Eclipse, Nebula and Selene, blending material and graphic sign:

In GALAXIA LOGO, Tonino Lamborghini signs the three textures; the calligraphic and serif initials intertwine into a dense and precious pattern that covers the entire surface in the GALAXIA SIGN line.

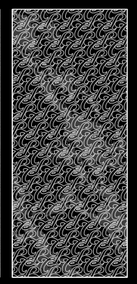

The logo and its fragments become an integral part of the collection's aesthetic language, symbols of elegance, luxury, and distinctive design.

GALAXIA MIRROR

120x280cm_48"x110" Glossy 6mm

Effetti specchio metallici – Golden, Copper, Platinum – trasformano ogni ambiente in pura scenografia. La luce incontra il segno grafico in un raffinato gioco di riflessi che amplificano lo spazio.

Il logo diventa quindi una trama, grande e minuta, in un elegante contrasto matte-lucido in MIRROR SCRIPT (SMALL e XL) così come in MIRROR SIGN, con il suo intreccio di iniziali.

MIRROR RAY e RAY FALL celebrano invece l'esagono, cifra stilistica del brand, in reticoli che scorrono come cascate luminose, vibrazioni sospese tra opaco e brillante, dove la luce diventa protagonista assoluta.

Metallic mirror effects – Golden, Copper, Platinum – transform every space into pure scenography. Light meets the graphic sign in a refined play of reflections that amplify the space.

The logo thus becomes a pattern, both large and small, in an elegant matte-glossy contrast in MIRROR SCRIPT (SMALL and XL), as well as in Mirror Sign, with its interwoven initials.

MIRROR RAY and RAY FALL celebrate the hexagon, the brand's stylistic hallmark, through lattices flowing like luminous cascades – vibrations suspended between matte and gloss, where light takes center stage.
